JURY DEMAND

2014 FEB 15 A 8:57
RECORDED
1003-1037
REC'D CLERK

Potential intervenors, the applicants for intervention James Schneller and Philadelphia Metro Task Force, pursuant to F.R.C.P. 38, request a jury trial with respect to trial on the plaintiffs' complaint, in the event that the application to intervene is granted.

Potential intervenors request jury trial on their application to intervene, in the event that hearings on the two proceedings are consolidated, and for any issues that the Court deems appropriate, and/or if hearing is consolidated with the matter of motion for summary judgment.

Potential intervenors deny plaintiffs' claim that potential intervenors' claims are conclusions of law. In addition, potential intervenors' claims are issues of fact directly affronting to plaintiffs' motion for summary judgment.

WHEREFORE, potential intervenors respectfully demand a jury, including on their application to intervene, and in the event that hearings on matters are consolidated, and as otherwise deemed just and proper.
